**EMPLOYEES' SAVINGS AND STOCK BONUS PLAN**  
**NOTES TO FINANCIAL STATEMENTS**

**For the Years Ended December 31, 2001 and 2000**

**SUMMARY OF ACCOUNTING POLICIES:**

NOTE 1—In preparing financial statements, management makes estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein. Actual results could differ from those estimates. The significant accounting policies of the Amerada Hess Corporation Employees' Savings and Stock Bonus Plan (the "Plan") are summarized below.

*Valuation of Investments.* The Plan's investments are stated at fair value. Mutual fund values are determined based on net asset values. Amerada Hess Corporation common stock values are based on the closing market prices on the New York Stock Exchange. Short-term investment values are based on redemption values.

*Interest and Dividend Income.* Interest and dividend income is recorded to participant accounts as earned.

*Loans Receivable.* Participant loans are valued at their outstanding balances.

*Sale of Investments.* Gains or losses on sales of Amerada Hess Corporation common stock are based on actual cost. Gains or losses on sales of Fidelity mutual funds are based on average cost.

*Master Trust.* The Amerada Hess Corporation Master Trust for Employees' Savings Plans (the "Master Trust") was established to combine under one agreement the assets of the Plan and the assets of the Amerada Hess Corporation Savings and Stock Bonus Plan for Retail Operations Employees (the "Retail Plan"). The trustee maintains separate accounts to reflect the equitable share of each of the plans' interest in the assets of the Master Trust.

**DESCRIPTION OF PLAN:**

The following description of the Plan is provided for general information only. For more detailed information, participants should refer to the Summary Plan Description or contact their local Human Resources Department or the Human Resources Service Center.

NOTE 2—General. The Plan is a defined contribution plan covering eligible employees of Amerada Hess Corporation (the "Company"). During their first year of service, employees may contribute to the Plan on a before-tax basis without receiving Company matching contributions. After attaining one year of service, employees receive Company matching contributions and can also contribute on an after-tax basis. Effective January 1, 2002, employees receive Company matching contributions immediately upon participation in the Plan.

NOTE 3—Contributions. At the election of each participating employee, amounts contributed under the Plan (from 2% to 15% of compensation on either a before-tax or after-tax basis, or any whole percentage combination of before-tax and after-tax amounts not exceeding 15%) are invested by Fidelity Management Trust Company, as Trustee and Custodian of the Plan, in one or more of eight Fidelity mutual funds with varying investment objectives or in the Amerada Hess Corporation Common Stock Fund (see Note 4 below). However, the maximum contributions for highly compensated employees (those who earned in excess of \$85,000 in 2000 for the 2001 plan year or those who earned in excess of \$80,000 in 1999 for the 2000 plan year) was 6% of their allowable compensation. Compensation taken into account under the Plan was limited by law to \$170,000. In 2002 the limit will be \$200,000. Before-tax contributions were limited by law to \$10,500. Beginning in 2002, all employees may contribute from 2% to 25% of compensation on a before-tax basis (after-tax contributions are eliminated) up to the legal limit of \$11,000.

Amounts contributed by the employer (100% of participants' contributions up to 5% of eligible compensation, reduced by forfeitures of unvested employer contributions) are invested by the Trustee in shares of common stock of Amerada Hess Corporation. Forfeitures were \$708,423 and \$434,917 during 2001 and 2000, respectively. In 2002 the Company matching contribution increases to 6% of compensation and employees may direct 50% of the match to any of the Plan's investment funds. Employees age 55 and older may direct 100% of the matching contributions to any of the Plan's investment funds.

NOTE 4—Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of the Company contribution and Plan earnings. Amounts are contributed to each of the Fidelity mutual funds or the Amerada Hess Corporation Common Stock Fund in the proportion designated by each employee, in increments of 1% of the amount contributed. A participant may change the designation of the proportions in which subsequent contributions will be invested in the various funds or change all or part of the amount invested in any fund to one or more of the other funds or both. Changes can be made daily.

The Trustee does not receive compensation from the Plan. Such compensation and other administrative costs are paid by the Company, except for administrative fees on employee loans, which are charged to participants with outstanding loans.

Following are the investment choices for amounts contributed:

Fidelity Retirement Money Market Portfolio

Fidelity U.S. Bond Index Fund

Fidelity Asset Manager

Fidelity U.S. Equity Index Commingled Pool

Fidelity Growth & Income Portfolio

Fidelity Overseas Fund

Fidelity Aggressive Growth Fund

Fidelity Low-Priced Stock Fund

Amerada Hess Corporation Common Stock Fund

Discontinued funds:

Fidelity Intermediate Bond Fund (assets transferred to Fidelity U.S. Bond Index Fund on December 14, 2001)

Spartan U.S. Equity Index Fund (assets transferred to Fidelity U.S. Equity Index Commingled Pool on December 14, 2001)

Descriptions and information concerning investment objectives and risk on the above funds are included in the Summary Plan Description. Approximately 1% of the Amerada Hess Corporation Common Stock Fund is held in short-term investment funds to facilitate daily transactions.

NOTE 5—Vesting. Interest in the Plan attributable to a participant's contributions shall at all times be vested. Interest in the Plan attributable to the employer's contributions shall vest when any of the following occurs: (1) completion of four years of membership in the Plan including membership in the Amerada Hess Corporation Savings and Stock Bonus Plan for Retail Operations Employees, the HOVENSA Employees' Savings Plan (the "HOVENSA Plan"), the Merit Oil Corporation and Affiliates Employees' Thrift Plan or a prior Company plan; (2) retirement under the Amerada Hess Corporation Employees' Pension Plan; (3) death; (4) total and permanent disability; (5) attainment of age 65; (6) completion of 5 years of service, as defined in the Plan, including periods during which the employee declined to make contributions; or (7) termination of participation in the Plan by the employer or termination of the Plan by the Company. Effective January 1, 2002, investments attributable to the employer's contributions vest immediately.

NOTE 6—Participant Loans. Participants may borrow up to 50% of their entire vested account balance, including their Company matching stock account, up to a maximum of \$50,000. Their vested interests in the Plan serve as collateral for the loans. Loans are amortized in level payments over a period of not more than five years, or not more than 30 years if borrowed for the purpose of acquiring a principal residence, and are repaid with interest at 1% above the prime rate determined at the time the loan is made. Loan origination fees of \$35.00 and annual maintenance fees of \$15.00 are currently charged to Plan accounts of participants who borrow from the Plan. Beginning in 2002 participants may have two concurrent loans. The total of the loans cannot exceed the lesser of \$50,000 or 50% of the participant's account balance.

NOTE 7—Rollovers From Other Plans. Employees may deposit an eligible rollover distribution made by a qualified plan of another employer. They may also rollover a distribution from an individual retirement account whose assets were derived solely from the rollover from a qualified plan of another employer. Rollovers are accepted in cash only and are invested according to the participant's current fund election for contributions. An employee who is not a Plan participant must elect investment options at the time of the rollover. The current market values of amounts rolled over to the Plan can be withdrawn in whole or in part at any time.

NOTE 8—Payment of Benefits. Upon a total withdrawal, an employee's interest in the Fidelity mutual funds are paid in cash. The employee's interest in the Amerada Hess Corporation Common Stock Fund and vested interest attributable to employer contributions are distributed either in whole shares of stock of Amerada Hess Corporation (plus the cash equivalent of any fractional shares) or in cash, depending upon the employee's election.

Voluntary complete withdrawals from before-tax contribution accounts are permitted only after attainment of age 59½, except that withdrawals of before-tax accounts are permitted in the case of hardship.

Partial withdrawals are distributed in cash on a pro rata basis as to the employee's after-tax contributions in each of the Fidelity mutual funds and the Amerada Hess Corporation Common Stock Fund. Participants who attain age 59½ also may withdraw from their before-tax contribution accounts. These withdrawals also are distributed in cash on a pro rata basis as to the employee's before-tax contributions in each fund.

Employees may elect direct rollovers of the taxable portion of their distributions to an individual retirement account, individual retirement annuity or a qualified plan of another employer. Eligible distributions that are not rolled over are subject to federal income tax withholding at 20% and may be subject to an additional 10% tax.

The Plan has received a determination letter from the Internal Revenue Service dated June 16, 1999, stating that the Plan is qualified under Section 401 (a) of the Internal Revenue Code (the "Code") and, therefore, the related trust is exempt from taxation. Subsequent to the issuance of this determination letter, the Plan was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification.
